FRONT OF CARD

I'm sorry!

I haven't been  
myself lately.

It was a psycho bitch from  
Hell..

CRAIG

the psycho bitch from Hell  
But whoever the heck I was  
sure wants to apologize!

~~(And so would the sweet, loving, innocent girl.)~~

Justin-

I regret the way I behaved last Friday and that as a result I did something that I shouldn't have EVER done. I acted so irrationally. I know it had happened before and I offer the same excuse/reason: the I was completely irrational due to having lost something that I loved so much that I was willing to have spent the rest of my life with it. I could pinpoint where many things started going wrong in our relationship, but that doesn't help now, does it? I loved being loved by you and I am afraid that because of what I did I wiped out any and all of the love you had for me. I know that now you think of me as an annoying crazy bitch. But we both know that I am not really like that, you couldn't love and adore a person like that. Most of my behavior I blame upon irrationality and lack of thinking. I am sorry that I lost your friendship (with the possibility of something more). Maybe one day you will miss the things on my "I miss..." list (did you throw it out?) so much that you will want me back or at least want my friendship (with possibility?). Please let →

4 BACK OF CARD

we know if you ever want to be friends or even something more. I can't promise you anything except that I will think about it and we will talk about it. There I am done with hope for the future. Until you want to talk to me again, I will be trying to get my life in order and trying to forget how much pain I still feel over losing you. Until then, I will do what it seems you would like me to do (and I decided that it would be best) I will not acknowledge you or talk about you to anyone. I promise you that.

I miss you  
and I am sorry  
about everything.  
My thoughts  
are exactly!
